

Product Bulletin #: 1068

Subject: End of Sale & End of Life Announcement for TippingPoint N-Series (S660N & S1400N)

Date of Announcement: July 7, 2017

Summary

Trend Micro TippingPoint is announcing the end-of-sale (EOS) and end-of-life (EOL) dates for the TippingPoint N-Series (S660N & S1400N). The last day to order the affected products is September 30, 2017 while quantities last. Customers with active maintenance contracts will continue to receive support from TippingPoint's Technical Assistance Center (TAC) for five years after the end-of-sale date. Maintenance contracts can continue to be purchased to cover the five years of support following the end-of-sale date, however, they must be purchased during the first two years following the end-of-sale date as described in the table below. Maintenance contracts cannot extend beyond the end-of-support date.
