## Product Bulletin #: 1082

**Subject:** End of Sale & End of Life Announcement for TippingPoint SMS H3 XL and TippingPoint TPS T-Series

**Date of Announcement:** April 1, 2020

**Summary:** Trend Micro TippingPoint is announcing the end-of-sale (EOS), and end-of-life (EOL) dates for the TippingPoint SMS H3 XL and the TippingPoint T-Series appliances. The SMS hardware appliances are being updated, and a direct replacement has been introduced and is now available. The T-Series appliances are being replaced by the TX-Series to provide platform parity across the TippingPoint TPS suite.

The last day to order the SMS H3 XL or the TPS T-Series appliances is listed below (while quantities last). Customers with active maintenance contracts will continue to receive support from TippingPoint's Technical Assistance Center (TAC) for five years after the end-of-sale date. Maintenance contracts cannot be extended beyond the end-of-support date.
