Finding ILT Course Offerings

Search Calendar for Instructor Led Classes

The screenshot displays the Trend Micro Education Portal interface. At the top, there are navigation tabs: "My Training", "Completed Training", "Training Catalog" (which is highlighted), and "Help". Below this, the "Education Portal" header is visible. A search bar contains the text "essentials". A red callout box points to the "VIEW FUTURE EVENTS" button in the top right corner. Another red callout box points to the "VIEW FULL CALENDAR" button in the calendar pop-up. The calendar pop-up shows a calendar for February 2018, with the 5th highlighted. The calendar lists several events, including "OfficeScan XG Certified Professional Classr...", "Deep Security 10 Certified Professional Clas...", "OfficeScan XG Certified Master Classroom | ...", and "OfficeScan XG Certified Professional Classr...". A red "ENROLL" button is visible at the bottom right of the page.

Click Title to
Access

The screenshot shows a web interface for a training catalog. On the left, there is a search bar containing the text 'quickstart' and a magnifying glass icon. Below the search bar, there are two filter buttons: 'ALL SELECTED (18)' and 'ALL SELECTED (7)'. The main content area displays a search result for 'TippingPoint Intrusion Prevention System QuickStart for Administrators'. The result includes the title, a status line 'STATUS: Completed | JOB ROLES: Administrator, IT Professional | LANGUAGE: English | DURATION: 33m | COMPLETED: 2/8/2018 1:18 AM', and a brief description of the course content. A red callout box with a pointer indicates that the title of the course should be clicked to access it.
